After four long years the first senior class graduated from the new Farragut High School . . . Pope John Paul II left the Vatican City and was in the United States for the first time . . . Incumbent mayor Randy Tyree was re-elected to his position as City Executive . . . We grumbled about special reports, projects, and home work . . .

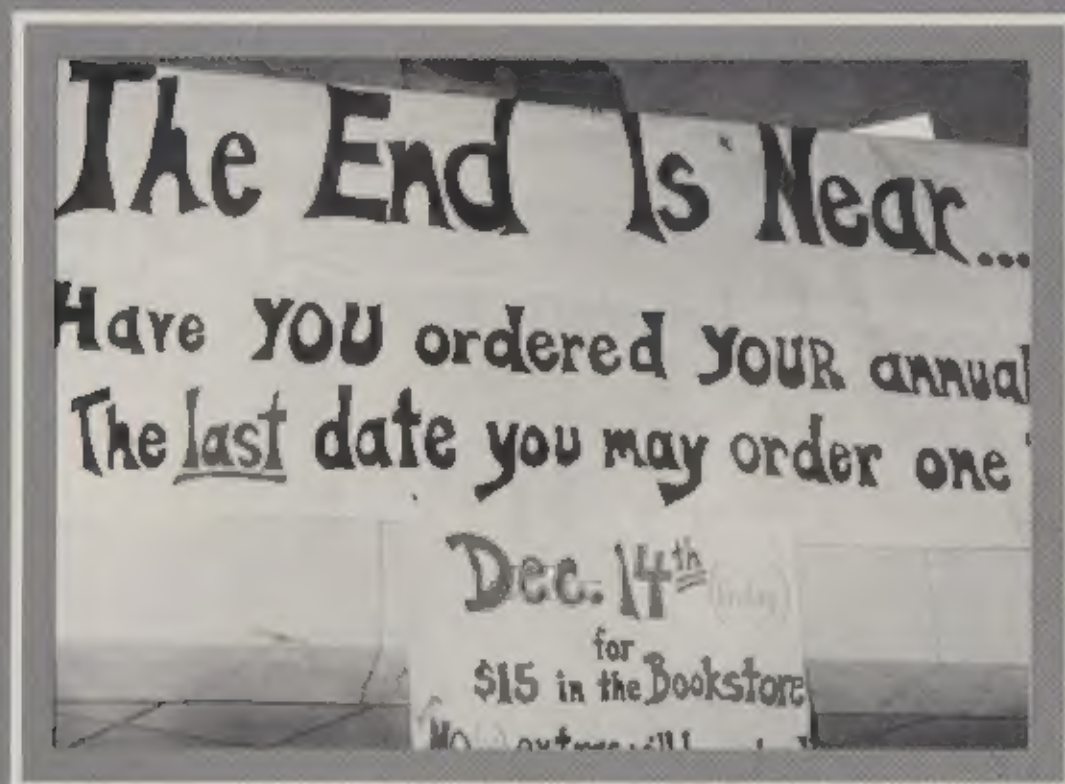

Johnny Majors took the Big Orange to the National Top Twenty while we cheered our own Big Blue to victory . . . Ten percent of our school population marched on the field in the Admiral Band

...

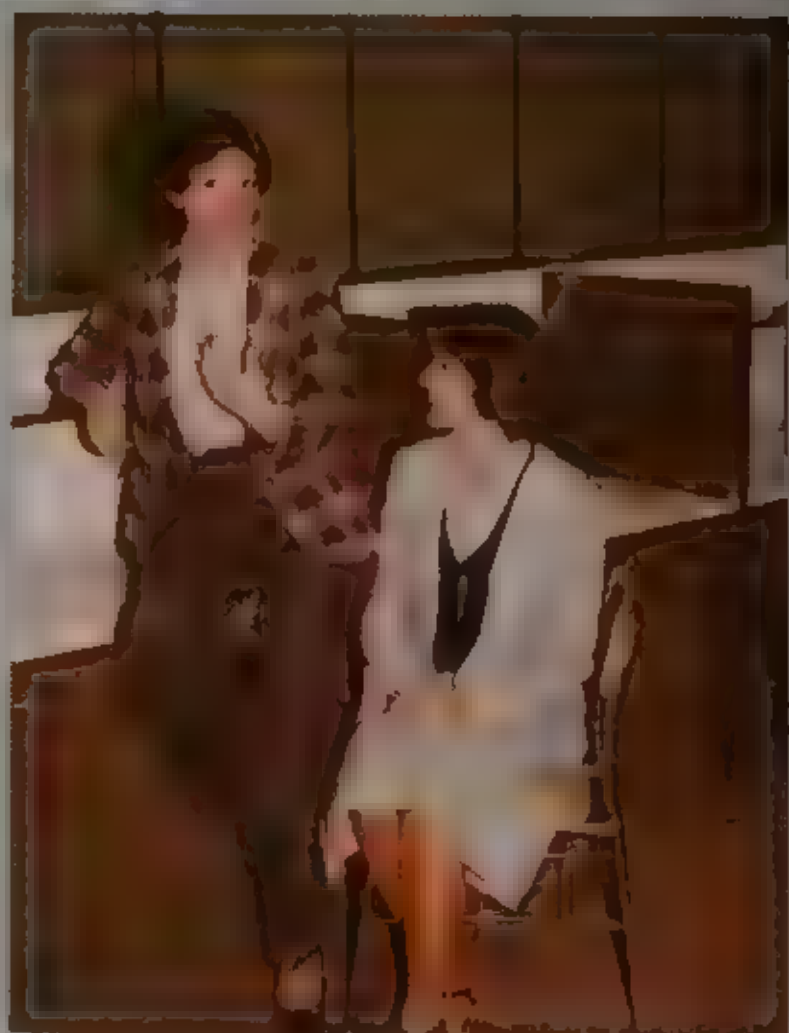

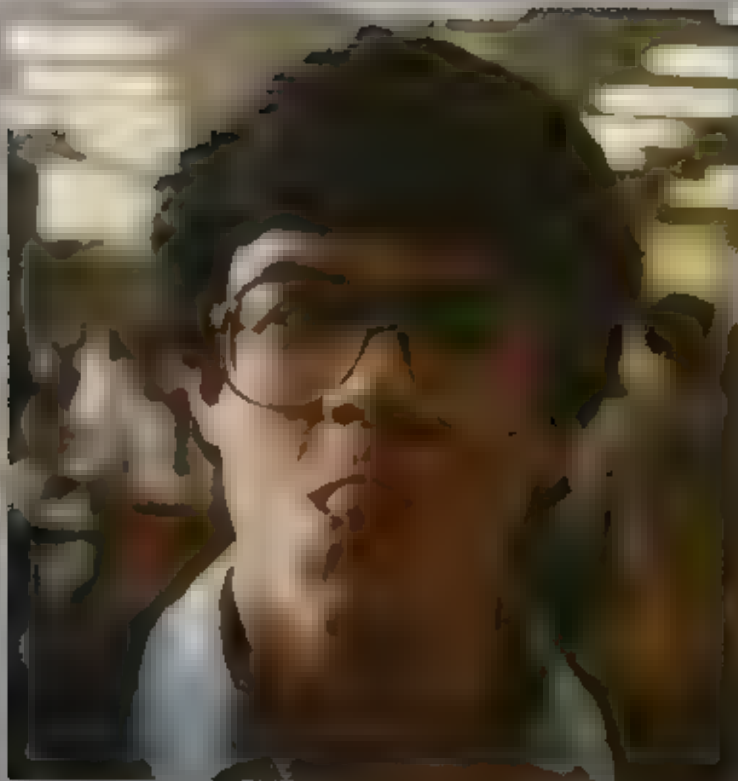

Knoxvillian John Tate claimed the World Boxing Association's Heavyweight Championship Title and put Knoxville on the map . . . The future visited us through the TV shows "Mork and Mindy," "Buck Rogers in the Twenty-Fifth Century" and "Battlestar Galactica" while we strolled back in time with penny loafers, wool sweaters, khakis, rolled-up Levi's and button-down shirts . . .

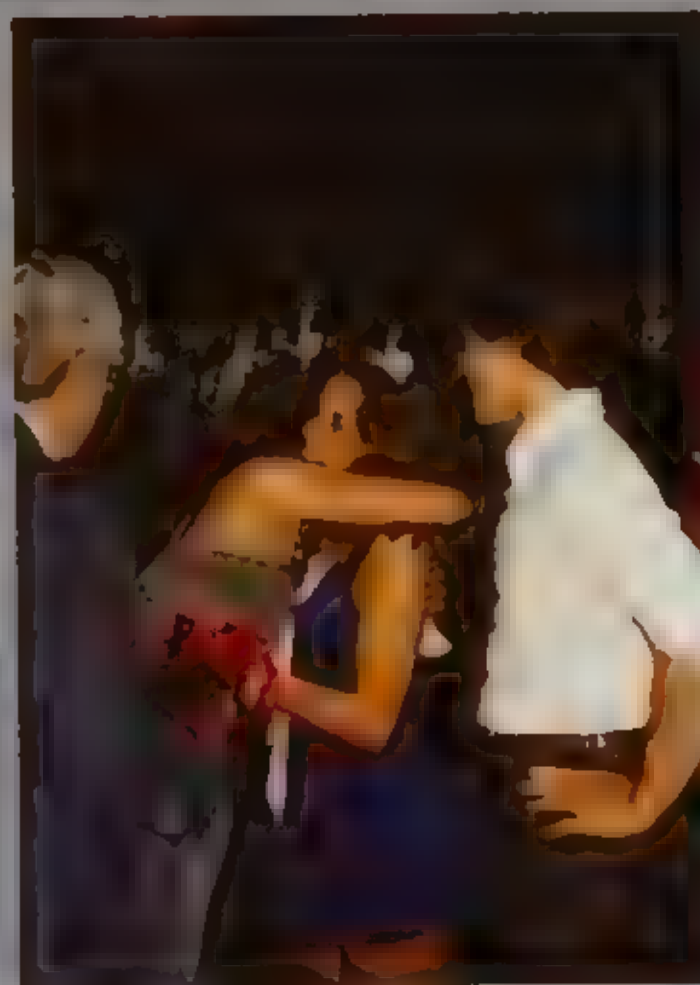

Pittsburgh fans cheered as the Pirates came from behind to win the 1979 World Series while many watched on Mr. Gatti's big screen . . . Pittsburgh also became the home for the Steelers who were four-time Super Bowl champions . . . We provided our own entertainment at Pep Rallies, choir performances or just clowning around . . .

"Saturday Night Live's" Gilda Radner, Jane Curtin, Lorraine Newman, Bill Murray, and Garrett Morris provided entertainment on Saturday nights and in the show's Monday morning rehash . . . We put on our sports clothes and ran in road races, fun runs, and mini-marathons along with President Carter . . . We water skied, snow skied, hiked, swam, and went horseback riding as long as weather permitted . . .

Local concerts entertained us with Kansas, the Eagles, and Foreigner... while the radio brought us the sounds of the Knack, the Commodores, and the old stand-by — Led Zeppelin... our favorite television programs were rearranged when local channels 6 and 26 switched networks... "The Crow's Nest" brought all of us up to date on FHS happenings...

Local theaters featured thrillers such as "The Amityville Horror," "When a Stranger Calls," and "Alien" ... Featured flicks also included "Breaking Away," "10," "And Justice for All," and "Kramer v. Kramer," "Apocalypse Now" and the return of "Animal House" ... For the first time Activities Period came to FHS drawing many students into both old and new club memberships ...

We viewed with awe the Winter Olympic Games which took place in Lake Placid, New York State . . . We waited in line to buy gas and put on an extra sweater as we turned the thermostat down to 65 degrees to fight the energy crunch . . . We munched out, pigged out, and chowed down on pizza, hamburgers, french fries, and ice cream . . .

We came indoors and played racquetball, backgammon, and video games ... The enrollment in Vocational classes doubled ... We flocked to Mr. Gattis, Godfather's, Pizza Hut or Stephanos after the football games ...

We guzzled Mountain Dew ices, Dr. Pepper, and other spirits . . . FHS acquired another principal raising the total to five . . . Tennessee's Howard Baker threw his hat into the ring for the Presidency . . . Some of us frizzed our hair or fixed it in ponytails, buns or barrettes . . . A new drama teacher joined the faculty providing three new classes . . .

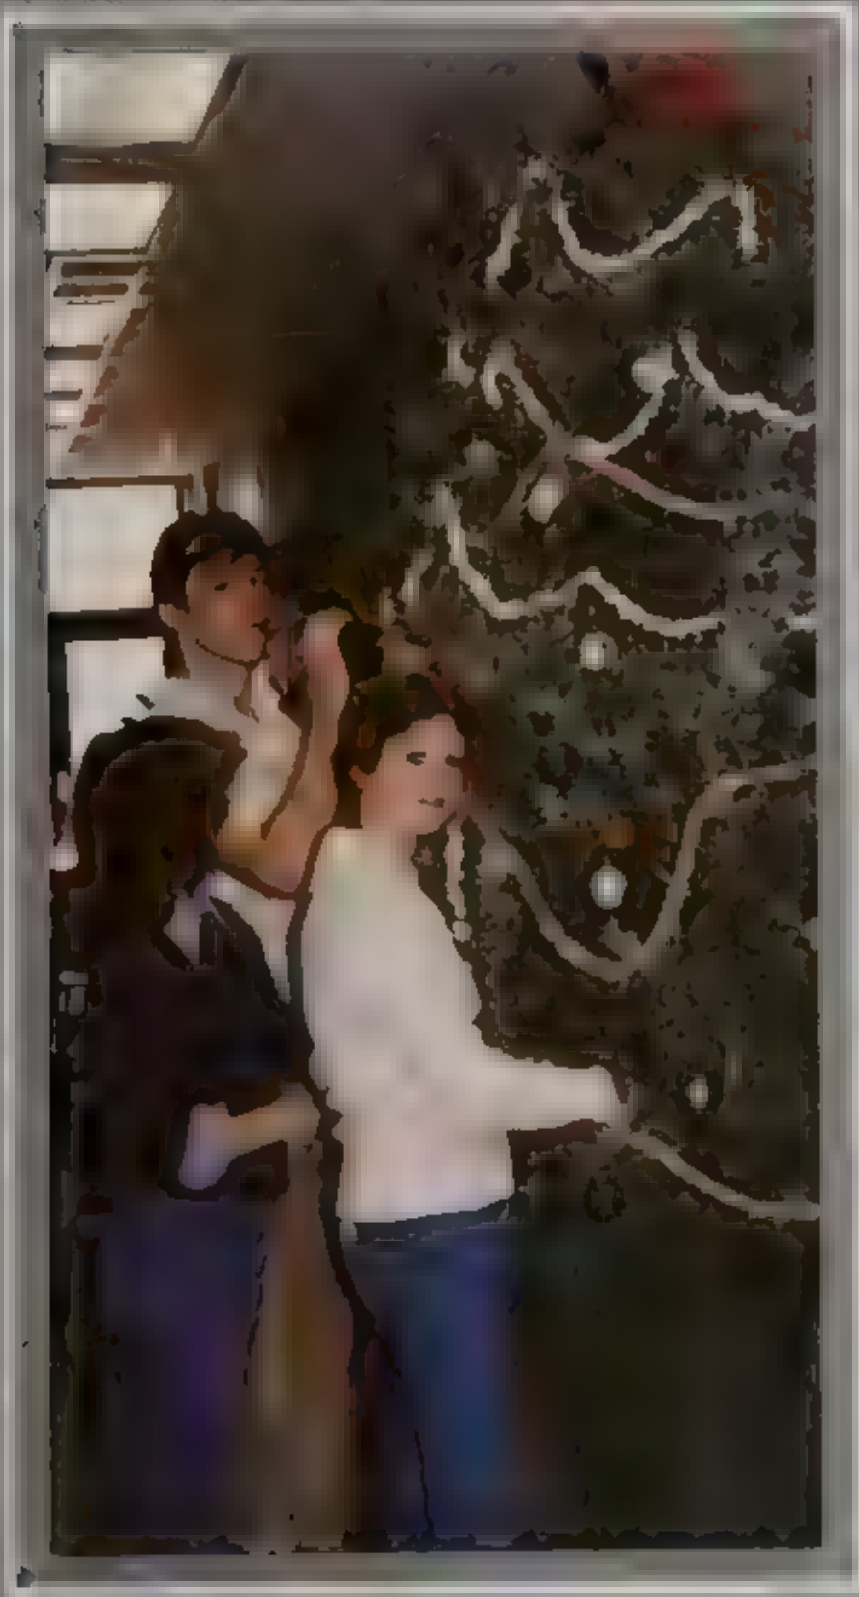

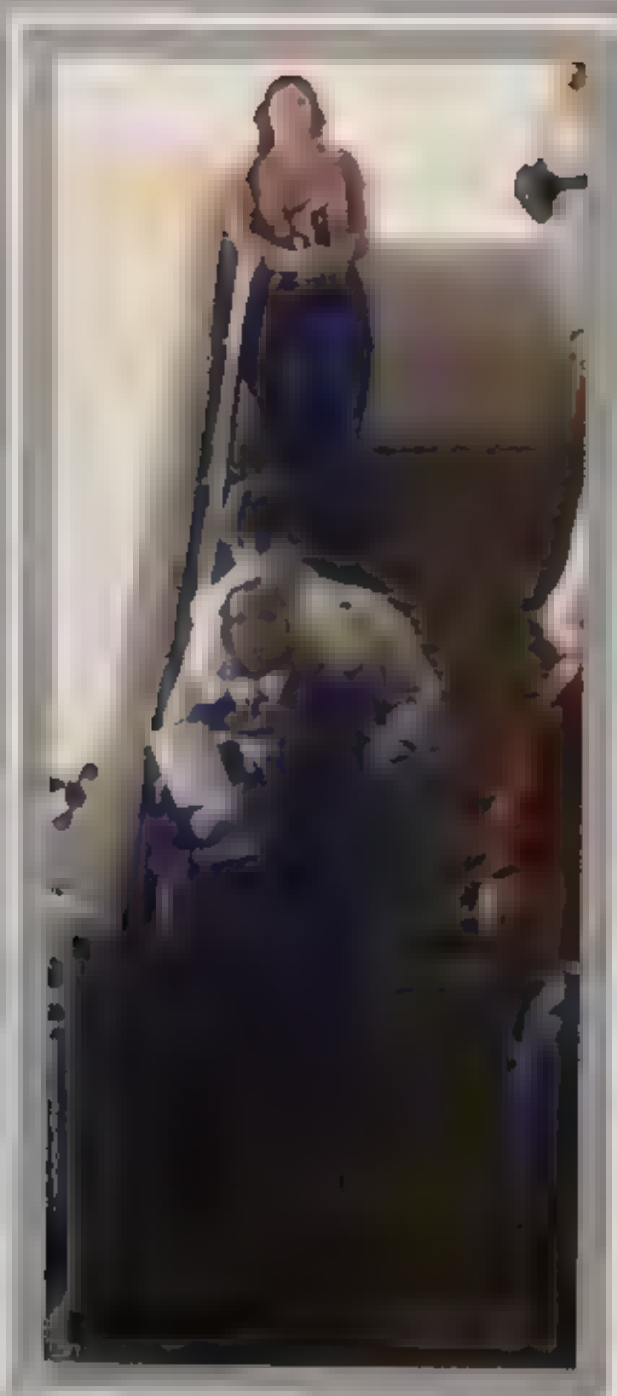

West Town Mall was always a place to do Christmas shopping or find that special prom dress while the boys suffered through the chore of finding a tux . . . Everyone smiled prettily for class pictures . . . A big majority of seniors occupied their time with after school jobs . . . Students hoped to enjoy snow days by sledding, skiing, and sleeping late . . .

FARRAGUT

Everyone looked forward to snow and when there wasn't enough snow here, students headed toward Gatlinburg and the mountains for tubing, sledding, and skiing. Musically talented groups gave concerts including the festive Madrigal Dinner. We traveled to school in everything from buses to Porsches.

Growing technology brought us a General Motors preview of progress concerning our future ... The overcrowded parking lot was relieved with new and stricter regulations on student drivers ... After many hours of debate and legal battles, Concord became the City of Farragut ... Most of us began to appreciate our opportunity for education . . . Careers and goals came into focus as graduation became a reality

In 1979-1980 Coach Sexton achieved win number 300. He led the Varsity Basketball Admirals to an early district lead and they were never threatened again. They eventually won the district 3 AAA crown for the 4th straight year, their 3rd straight district Tournament Crown, second in the region, qualified for state finals and nearly won their state playoff game vs. Runner up Chattanooga Howard.

The sad part of the season is in saying so long to seven seniors: Jimmy Elliott, Mike Norwood, Phil Knight, Jody Haynes, Eric Jones, Chris Chandler and Paul Fain who made gigantic contributions to the basketball program at Farragut. These men will be missed but we are grateful to them for helping to carry on the tradition of excellent basketball at Farragut High School.

After many hours of strenuous workouts the pains and persistence paid off. Both the girls (top) and boys (center) of the cross country team knew that they had the ability to go to the state competition and so their goal had been set. After each meet that goal came a little closer to reality. When the season came to a close the boys had achieved 2nd in the state and the girls had achieved 7th (bottom) Teddi Childress, who lettered three times in cross country, finished second in a home meet.

To every thing there is a season, and a
time to every purpose under the heaven;
A time to be born, and a time to die; a
time to plant, and a time to pluck
up that which is planted,
A time to kill, and a time to heal; a
time to break down, and a time to build
up,
A time to weep, and a time to laugh,
a time to mourn, and a time to dance.

"I D KRAZY CLASS '80

A time to cast away stones, and a time to
gather stones together; a time to
embrace, a time to restrain from
embracing,

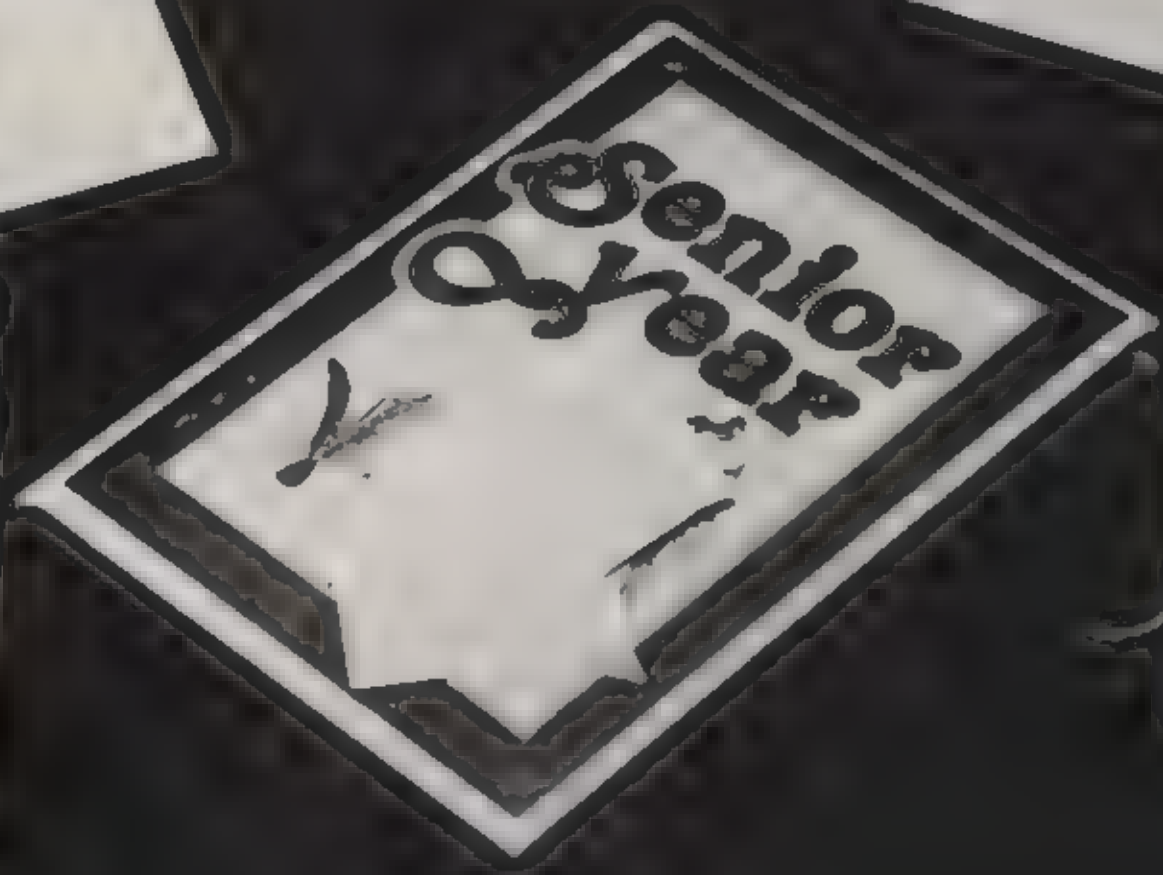

A time to get, and a time to lose, a time
to keep, and a time to cast away

A time to rend, and a time to sew, a time
to keep silence, and a time to speak,

A time to love, and a time to hate,
a time of war, and a time of peace

Ecclesiastes 3 1 8

Thank You

Tears, idle tears, I know not what they mean,
Tears from the depth of some divine despair
Rise in the heart, and gather to the eyes
In looking on the happy autumn fields,
And thinking of the days that are no more.
Tennyson
